

Temperature Sensing Probe

SP-51

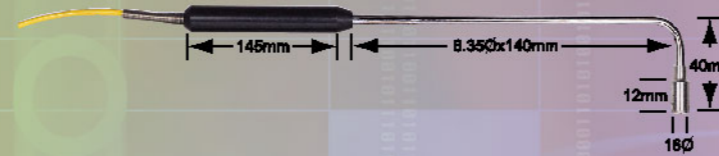

| Range | Specification | Class |
|-------|----------------------------|-------|
| 800°C | SUS316 K-Type Thermocouple | A |

SP-51A

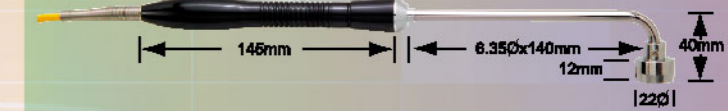

| Range | Specification | Class |
|-------|--------------------------------------|-------|
| 800°C | SUS316 K-Type Sharp Tip Thermocouple | A |

SP-56

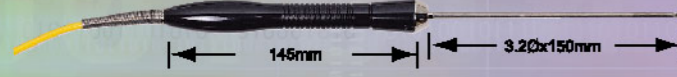

| Range | Specification | Class |
|-------|-------------------------------------|-------|
| 400°C | L Type 16Ø Temperature Sensing Head | A |

SP-56A

| Range | Specification | Class |
|-------|-------------------------------------|-------|
| 400°C | L Type 22Ø Temperature Sensing Head | A |

SP-51B

| Range | Specification | Class |
|-------|---|-------|
| 800°C | SUS316 K-Type Slanting Sharp Tip Thermocouple | A |

SP-53

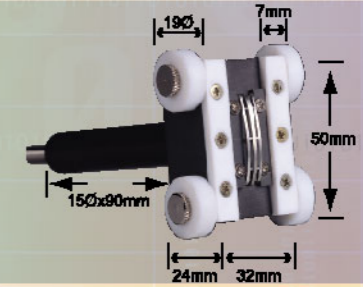

| Range | Specification | Class |
|-------|------------------------------|-------|
| 400°C | 16Ø Temperature Sensing Head | A |

SP-56B

| Range | Specification | Class |
|-------|--|-------|
| 250°C | L Type 22Ø Teflon Temperature Sensing Head | A |

SP-57A

| Range | Specification | Class |
|-------|-----------------------------------|-------|
| 250°C | Teflon Temperature Sensing Wheels | A |

SP-53A

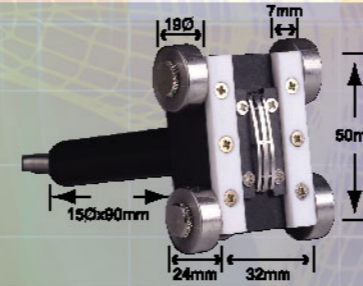

| Range | Specification | Class |
|-------|------------------------------|-------|
| 400°C | 22Ø Temperature Sensing Head | A |

SP-53B

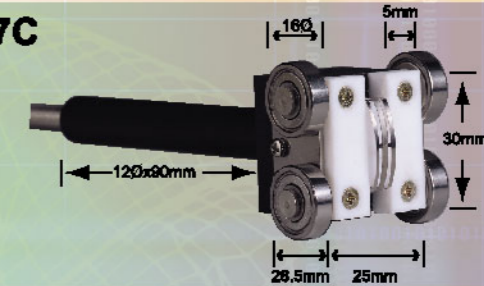

| Range | Specification | Class |
|-------|---------------------------------|-------|
| 250°C | Teflon Temperature Sensing Head | A |

SP-57B

| Range | Specification | Class |
|-------|--------------------------------|-------|
| 250°C | SUS Temperature Sensing Wheels | A |

SP-57C

| Range | Specification | Class |
|-------|------------------------------------|-------|
| 250°C | Temperature Sensing Bearing Wheels | A |

SP-53C

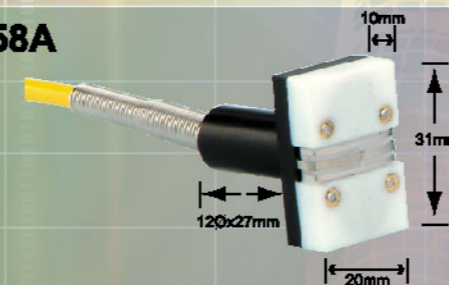

| Range | Specification | Class |
|-------|------------------------------|-------|
| 400°C | 16Ø Temperature Sensing Head | A |

SP-53D

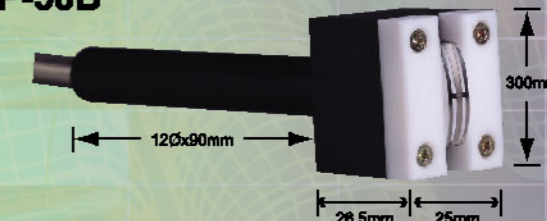

| Range | Specification | Class |
|-------|---|-------|
| 800°C | K Type Temperature Sensing Head With Spring | A |

SP-58A

| Range | Specification | Class |
|-------|-----------------------------------|-------|
| 250°C | Magnetic Temperature Sensing Head | A |

SP-58B

| Range | Specification | Class |
|-------|----------------------------------|-------|
| 250°C | Surface Temperature Sensing Head | A |
